Dear Club Members,

February is here and it is time to sign up for our first tournament which will be at the River Oaks Golf Course in Nicolaus (Formerly Rio La Paz). I normally schedule River Oaks first for a couple of reasons, (1) the course drains better than any course in the area and with no cart paths you can drive right to your golf ball, (2) the course is fairly open and not overly long making it a good place to kick off our tournament year.

January weather has been beautiful with warm , sunny days, all the golf courses are in great condition for this time of year. I expect the good weather to continue so let's have a great turnout for our first tournament.

Please get your entries to me by Wednesday, February 8th or at least let me know you are planning on playing as I need to give River Oaks a final count 10 days prior to our tournament.

Thanks,
Dick
